

'The Coverage' from St Bonaventure's

Student-run newspaper launches

Look no further than St Bonaventure's for 'The Coverage', a newspaper written by and for the students.

The paper is run by a group of twelve students in Year 9 and includes career advice, music and movie reviews, a recipe page and competitions. The news team intend to encourage students from other year groups to contribute and to tell them what they want to see in the next edition.

The paper developed from a Tuesday lunchtime club, run at the school, where the students learned about deadlines, style, sub-judice rules, libel and layout.

Paul Halliwell, Headteacher at St Bonaventure's said: "The newspaper is all

their own work and for it to work it has to have the backing of the students. I wish the boys well in their exciting endeavour."

St Bonaventure's already publishes a school magazine, which goes out three times a year, however, 'The Coverage' will be released monthly and is written specifically for the students at St Bonaventure's. It is free and will be available from Form classes and in the library.

Reminder: Responses due for possible transfer of the LA's School Financial Consultancy Service SFCS (Bursar Service)

Responses needed by this Friday

Your responses to the possible transfer of the SFCS (Bursar Service) from the LA to NPW are required before this Friday, 13/02/2015.

The consultation is relevant to all schools, even those buying financial consultancy / bursar services from a 3rd party company or through their own directly employed finance staff. This is because there would potentially be additional services available for schools to supplement their current arrangements.

At the same time as being approached by the LA, NPW have also received expressions of interest from some schools at the termly-held User Group meetings, asking if

NPW would investigate options for setting up its own professional financial consultancy service to complement the existing range of support services being provided. Therefore, NPW is undertaking a detailed due diligence exercise before any decision is made.

If any Head Teacher, SBM or Finance Manager would like a fresh copy of the communication, including the link to the online return form, please e-mail Paul Stratton or Andrew Wood at:

NQT Development Weekend

Team building at Fairplay House outdoor centre

At a time when recruitment in the borough is difficult and the teaching profession, as ever, constantly in the media in regard to work load and pressures of the role, I find myself looking to additional ways to retain staff.

One of the many reasons I love to work in Newham is the huge support structure that teachers across the borough provide for each other – it has kept me going and still keeps me smiling. In my NQT year I was able to form some solid professional relationships and friendships that I still hold close to me now – the borough provided training that enabled me to network and enjoy my first year of teaching. I would like to see new teachers in the borough share the experiences that I had, and so, I am constantly looking for ways for them to network and form this same support.

On 27 February I have booked Fairplay House for the weekend, for a team building event, for Newly Qualified Teachers, in the borough.

It works out approximately £150 per person from each

school.

This includes –

- Friday night use of local golf club facilities and dinner
- Saturday all day activities
- All inclusive of food and accommodation

I will also complete some short training sessions on the Friday evening as a welcome and on the Saturday morning – These sessions will be generated depending on a general trend from all schools that participate.

I hope that you can see the potential and are as excited by this opportunity as I am.

If you would like to reserve spaces you should contact Rachel Speed. rspeed@centralpark.newham.sch.uk
