

Wednesday is No Smoking Day

Newham is taking part in the National campaign to stop smoking

This Wednesday is No Smoking Day 2015 and the theme is 'Proud to be a Quitter'. The day is being organised by the British Heart Foundation.

Dr Mike Knapton, Associate Medical Director at the British Heart Foundation said: "Smokers stand a far better chance of quitting with support, and we would urge smokers to use the upcoming No Smoking Day on 11 March to join nearly one million people in attempting to quit."

Newham's Stop Smoking Service is lending a hand by offering free support and advice to all smokers living, working, studying or socialising in Newham. It ran a series of support sessions over the weekend, and delivers free support and advice locally.

To help smokers deal with cravings and withdrawal, 12 weeks of one-to-one support with trained advisors

who can provide personalised advice, motivational support and access to a range of medications is available in most pharmacies, many GP surgeries and at community drop-ins.

Stopping smoking can reduce the chances of getting lung cancer, heart disease, stroke and other smoking-

related illnesses. Other benefits include improved breathing, sense of smell and taste, saving money, a clearer complexion and whiter teeth.

Visit www.newham.gov.uk/stopsmoking for information or contact your local pharmacy, GP or call 020 3373 6630.

NPW User Group Meeting

To be held at Francis House on Monday 9 March, 4pm-5pm

The next NPW User Group meeting will take place at Francis House on Monday 9th March from 4pm-5pm (4th floor, room 4.3).

Can a member of your SLT attend the next meeting of the NPW User Group, where the focus of discussion will be the potential for the transfer of a Bursar / Financial Consultancy support service from the LA to NPW?

Interest generated at previous User Group meetings prompted NPW to begin investigating this option. At this stage of discussions, input from schools is vital.

There will be space for any Headteacher, Governor, School Business Manager or members of the School

Leadership Team nominated by the Headteacher and we would appreciate your attendance.

The purpose of these meetings is to continue to gather valuable feedback from schools, share information, use the group as a sounding board for new service ideas and identify where NPW can make improvements to existing services.

As we want to maximise the number of voices heard, please consult with colleagues before you attend so you can feed in their views.

RSVP if you are intending to attend: Paul.stratton@npw.so

Three Quarters of Newham pupils get top choice secondary school

Joint third in London for first choice placement

More Newham pupils are getting into their first choice secondary schools than the average across London.

Every Newham child who applied to secondary school has been guaranteed a place for 2015 and 75% were offered places at their first choice schools. This is higher than the average across London, where 68% of pupils who applied were offered their first choice places.

The figures were released last week by the Pan London Admissions Board, which coordinates the placement of pupils, showing that New-

ham was in joint third position in London for the highest number of primary schools pupils placed into their top choice secondary schools.

Newham Council received 4,013 applications, which was nearly 100 more than in the previous year. Councillor Rev. Quintin Peppiatt, Cabinet Member for Children and Young People, said: "Newham has one of the largest populations of young people compared to any of the other London boroughs. We have consistently ranked in the top ten authorities for ensuring that our children can attend the schools of their choice. We have achieved this

through the hard work of staff and working with parents and schools and to expand the number of places our schools offer."

In London as a whole, 84,140 applications were made, which is an increase of 4% on last year's figures.

Helen Jenner, Chair of the Pan London Admissions Board, said: "A high number of applications have been processed by the pan-London scheme this year. Despite this, the London-wide system of co-ordinating admissions has meant that more pupils have been offered a school place of their choice than last year."

Teacher of Biology

Newham Collegiate Sixth Form Centre

Start date: September 2015

Salary: MPS/UPS

Location: Newham

Contract type: Full time

Contract term: Permanent

Newham Collegiate Sixth Form Centre (The 'NCS') is a dedicated sixth form centre established by a group of nine Newham 11-16 schools in partnership with Newham Council. The NCS opened in September 2014 in iconic Grade 2 listed buildings on the East Ham Town Hall Civic Complex, having been fully renovated to a high standard with nine new science laboratories and spacious teaching classrooms. The centre will have 500 students when fully operational and will provide a stimulating education and personalised curriculum within a supportive environment in which students will be encouraged to stretch themselves to achieve their potential. The NCS offers an academic A Level Curriculum specialising in Science and Mathematics,

alongside pathways in Humanities. The A Level Curriculum and the extra-curricular programme will be focused on preparing students for progression to selective and Russell Group universities.

The NCS is currently looking to appoint an inspirational and motivational teacher of Biology with the ability to deliver high quality lessons and achieve excellent results. This is an exciting opportunity to work with the Head of Sciences/Lead Biologist to establish and design the curriculum and student offer as well as assisting the most able students in Newham and surrounding boroughs achieve their true potential.

The successful candidate for the Biology role will:

Hold DfE Qualified Teacher Status and a relevant undergraduate degree.

Share our vision that there is no ceiling to achievement and believe in the transformational nature of education.

Have experience of teaching A level Biology or demonstrate a strong desire to develop the skills and knowledge to do so. We also welcome applications from high quality NQTs.

Have a proven track record of successful learning and teaching.

Have a passion to share their academic interests as part of our innovative super curriculum.

Have the ability to draw upon their professional/educational background to demonstrate their ability to successfully teach Biology to A level standard

The role will provide the opportunity to work with the Head of Sciences/Lead Biologist to establish Biology in a dedicated sixth form centre and help build an expert staff team as the NCS grows and develops. We are looking for knowledgeable and expert candidates to start in September 2015.

Leadership and

Management opportunities are available to the right candidates.

We can offer –

Access to high quality training, both in school, and from external sources.

A commitment to your well being and welfare.

Great pupils who want to learn.

Career opportunities at Sheringham and within our Multi-Academy Trust.

A commitment to making you a great teacher.

We need you to be-

Committed to your own learning, and to supporting the learning of others.

Qualified to teach within the primary age range.
