Fun in the sun with Napier Lodge

Child care at Ranelagh's Napier Lodge

Nestled in the corner of the playground at Ranelagh Primary School is Napier Lodge, a purpose built centre for holiday activities and wrap around school provision.

During the school holidays Napier Lodge provides an exciting timetable of activities and excursions for Ranelagh Primary pupils. One such trip took place in July when 16 excited children and staff, accompanied by the Executive Head Teacher, boarded a coach for a day by the sea at Walton on the Naze, Essex. The weather held and the children made sand castles and ate traditional seaside fare. Even the onset of drizzle didn't dampen the fun, the children simply moved their activities under the pier.

"It was great fun on the beach,"

said Izzy aged 9, "I liked collecting shells and playing in the sea under the pier with my friends."

Angela Tapscott, the Executive Head Teacher at Ranelagh, added: "At the end of a fun day all of the group, including the staff, returned to Ranelagh tired but very happy. It is important that Ranelagh Primary School can offer visits like this through the Summer holiday and it was fantastic to see the children enjoying a traditional English day at the seaside."

During term time, Napier Lodge provides a secure environment for children who arrive at school early and after-school care at the end of the school day.

Ranelagh pupils make a splash

Competition winners get their feet wet at Royal Docks

How does road safety lead to a rowboat? For pupils at Ranelagh Primary School it was very straightforward.

During the Summer term Community Police Officer, Sue Lawler, visited Ranelagh Primary for a special assembly on Road Safety. Following the presentation, the pupils were asked to design a Road Safety Poster, with a very special award for the winners of the competition.

The victorious Ranelagh group

All of the colourful, informative posters were judged by the class teachers and the lucky winners were Zain Butt, Surobi Mohamed, Ellis Cummins, Zishon Iqbal and Kate Mangaser. These five happy children were delighted to learn that they had been chosen to attend the Docks Community Fun Day. They were joined on the day by Ahmeed Adesanya, Ryan Jacobs, Guilia Buras, Charlotte Davidson, Shane Aarons and Marvie Espinosa, who were chosen for

their improved or outstanding behaviour at school. They were accompanied on the excursion by two members of Ranelagh staff, Rose Cleeve and Louis Boadi, and they met up with officers from the Metropolitan Police at Docks.

The action for the day began on the water, with the pupils from Ranelagh jumping right in to take part in the rowing event. Following a talk on water safety they all enthusiastically took part in the challenge. Each child had a 30 minute rowing session with an experienced, qualified rowing instructor. London Youth Rowing is a ground breaking initiative which provides opportunities for youngsters to challenge themselves through sport and this was certainly the case for the Ranelagh pupils.

"The rowing was a great experience for the children and they all had a fantastic time. As soon as they had finished the session they wanted to have another row. It was wonderful to hear the children say how much they had enjoyed the day. They listened carefully and were well behaved," commented Louis Boadi.

Back on dry land the fun didn't stop as the children watched a dynamic performance of African dance and music. They also had the chance to explore vintage police vehicles, army transport and fire trucks, all the while being serenaded by local school choirs. To round off a

wonderful day the Ranelagh group soared high above the Docks as they rode the cable cars. As they chatted about their exciting experience, they were delighted by the stunning views of London.

Kate Mangaser, from year five, said: "It was a fun day, I really enjoyed the rowing. The cable cars were scary, but I liked looking at all the famous buildings."

Living so close to the Queen Elizabeth Olympic Park and with such inspirational sporting opportunities, maybe Ranelagh is nurturing an Olympiad of the future.

Construction of the Royal Docks started during the reign of Queen Victoria. Today it is a thriving hub of activity at the heart of London, incorporating the London City Airport, a university and an exhibition centre, along with commercial and residential properties.

EAST LONDON ALLIANCE
SCHOOL CENTRED INITIAL TEACHER TRAINING

OPEN EVENING

**Come and find out about teacher training
with the ELA SCITT**

Wednesday 30th September 2015

**Tollgate Primary School,
Barclay Road, E13 8SA**

Time: 4.30pm – 6pm

WHO ARE WE?

The East London Alliance SCITT is calling for applications from the most able graduates to train to be teachers. The School Direct programme allows top graduates, or those who have been working in a career, to combine training with learning on the job.

The East London Alliance School Centred Initial Teacher Training (ELA SCITT) is based at Tollgate Primary School. It offers a route into teaching through the School Direct programmes, which will lead to the award of Qualified Teacher Status (QTS). In addition we are able to offer a tuition fee funded programme which will lead to a PGCE.

WHY TRAIN WITH US?

We have successfully trained cohorts of trainees to become teachers and all the trainees have successfully secured employment.

A School Direct trainee from last year stated: 'This was a tough but rewarding course. When I was struggling to keep up the programme course leaders supported me to identify my next learning steps. Since then I have been able to improve my practice in the class room and demonstrate that I am an outstanding practitioner. I am grateful to Tollgate Primary School and the alliance of schools for their support and challenge and helping me secure my first teaching post.'

The Director of the Teaching School; Caroline Stone stated 'We are looking forward to receiving applications from those individuals with the potential to be brilliant teachers. School Direct allows us to customise the training to meet the needs of both the school and the trainees, who gain practical experience from day one. It is a great way to learn and qualify to become a teacher, by offering trainees support from their future colleagues who have a wealth of experience. They will also benefit from further learning opportunities to develop their teaching skills and progress quickly into leadership positions.'
